Description of Classes

90 XT: FIP program designed to help personnel with their fitness assessment. Open to all personnel.

FIP: Fitness improvement program to promote better fitness assessment, insuring proper technique and form as well as endurance and strength targeted for members to improve their fitness assessment results.

Warrior Fitness: This class is designed for someone proficient in explosive movements who can maintain proper technique while training at a high intensity.

Spin: This class is an indoor cycling cardio workout set to music.

Zumba: An aerobic fitness session featuring movements inspired by various styles of Latin American dance and performed primarily to Latin American dance music.

Yoga: This class incorporates postures, gentle movement sequences, breath work, supported silent meditation, and guided relaxation to support increased awareness and mindfulness of the breath and the body.

Pilates: Focuses on improving strength, stability, posture, proper breath control, and flexibility. Each class will work to balance all muscle groups.

Incentive Programs

- Iron Eagle Club
- Ultimate Competitor Challenge 2023
- Operation Slim Gym

Note: You MUST be on time for 90 XT or you will be turned away.
