Please select your Preferred Test Center

You must select where to test—at a CLEP test center OR at home with remote proctoring.

CLEP test center: You must contact the center directly to schedule your exam and get information about proctoring fees (separate from your CLEP exam fee) and cancellation policies. You can test at any CLEP test center, not only the preferred center you select today. If you require a testing accommodation, contact your test center well in advance of the exam date to make the necessary arrangements.

Remote proctoring: You'll be charged a \$30 proctoring fee at checkout. Later, you'll receive an email with instructions for scheduling your exam with Proctortrack. The administrative fee is refundable within 7 days of purchase. After 7 days, you won't receive a refund. If you require a testing accommodation, you must get approval from the College Board prior to completing your CLEP registration.

We reserve the right to change the terms of this Privacy Policy from time to time by posting an updated Privacy Policy. We encourage you to review this Privacy Policy periodically for any changes or updates.

If you have questions about this Policy or College Board privacy practices, please contact us.

I understand and agree to the Privacy Policy outlined above.

Retest Policy:
You may not repeat an exam for the same title within three months of the initial testing. If you retest within three months and your score is lower than your previous score, your score will be canceled and any test fees will be forfeited. Inquire about your college's regulations before registering for retesting. DANTES-funded examinees: Effective December 11, 2010, DANTES no longer funds retesting on previously funded CLEP exams with the same title. However, service members may personally fund a retest after waiting three months.

You must select these options so that the \$89 charge will disappear.

College Composition

I understand and agree to the CLEP retest policy outlined above.

As a veteran, I plan to seek reimbursement from the U.S. Department of Veterans Affairs for this exam. For more information, go to the [CLEP for Veterans section](#).

When did you decide to take this CLEP exam?
